All prints are "Borderless" prints printed on high-quality archival Kodak Professional photographic papers in either Glossy or Lustre-E surface.

Add 30% for Endura Metallic pearlescent surface. This paper uses a patented combination of film and laminate layers that result in striking, three-dimensional, lasting images on an ultra-bright background.

Add 30% for True B&W Paper (Matte Finish). This panchromatic, resin-coated paper is specifically designed for making continuous-tone B&W prints directly from digital images in digital exposing systems.

\* Add \$35.00 for a Fine Art Poster Print with text of your choice. See Page 2 for details.

**Gallery Wrapped Canvas**

The image is printed on premier art canvas substrate and wrapped around a 1½-inch wooden stretch. Gallery Wraps arrive as a finished product that comes ready for hanging in a home, gallery, museum, or office. Canvases are treated with a UV inhibiting coat that protects the canvas from fading and should last for 100 years.
